WSP USA INSPECTION SERVICES DISASTER AWARENESS REPORT

June 10, 2025

## Eastern Pacific Tropical Activity

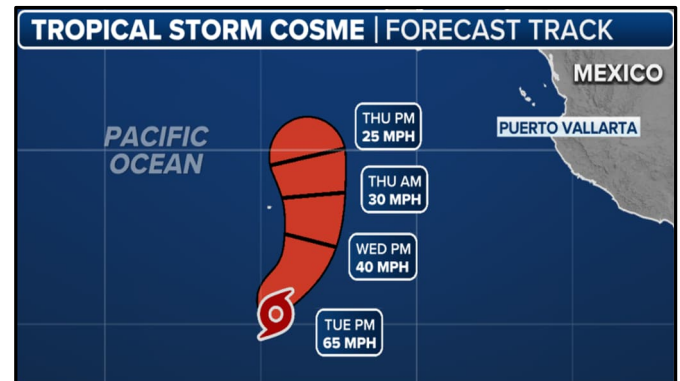

### Tropical Storm Barbara

- Hurricane Barbara formed southwest of Mexico in the Eastern Pacific Ocean on Monday morning and then later weakened back to a tropical storm by evening.
- On Tuesday morning, maximum sustained winds decreased to near 60 mph with higher gusts.
- Continued weakening is forecast, and Barbara is expected to dissipate by Wednesday, the NHC notes.
- Barbara is currently located about 180 miles west of Cabo Corrientes, Mexico, and is being monitored by the NHC.

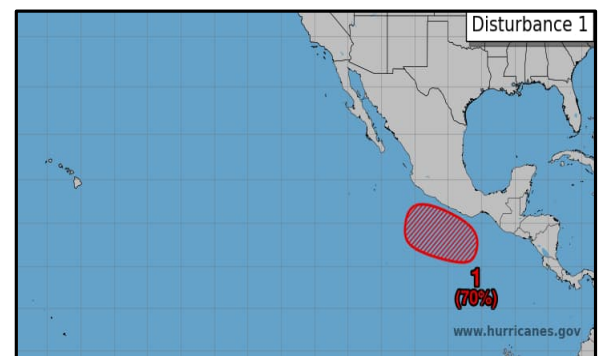

### Tropical Storm Cosme

- Tropical Storm Cosme is nearing hurricane intensity and will likely be the second hurricane in the Eastern Pacific at some point early Tuesday.
- Moving toward the west-northwest near 5 mph.
- A turn toward the north is expected later Tuesday morning, followed by a faster north-northeast motion late in the day through Wednesday, according to the National Hurricane Center (NHC).
- Maximum sustained winds are near 70 mph with higher gusts.
- Cosme is forecasted to become a post-tropical remnant low on Wednesday and is located about 600 miles south-southwest of the southern tip of Mexico's Baja California Peninsula.

### Disturbance 1

- Area of low pressure is forecasted to develop later this week south of southern Mexico.
- Environmental conditions appear conducive for gradual development of this system.
- A tropical depression is likely to form late this week or over the weekend.
- Moving west-northwestward just offshore of the southwestern coast of Mexico.
- Formation chance through 48 hours – Low (0%)
- Formation chance through 7 days – High (70%)

## Declaration Activity

### DR 4877 – Missouri

- On June 9, President Donald Trump signed a major disaster declaration for the deadly May 16 tornado that ripped through the St. Louis region.
- Gov. Mike Kehoe sent the major disaster declaration request for individual assistance on May 25.
- Federal assistance was approved for the City of St. Louis, St. Louis County and Scott County.
- Severe storms and tornadoes devastated these areas on May 16, claiming seven lives and causing widespread destruction of homes, businesses and public infrastructure.
- Several dozen tornadoes were confirmed on the afternoon and evening of May 16, many of them strong to violent, including an extremely large EF3 tornado that struck the Greater St. Louis area, and was the strongest in the area since a violent tornado in 2011.
- Governor Kehoe first declared a State of Emergency on March 14, 2025.
